**From Houghton Mifflin Co : The Civil War Battlefield Guide, Second Edition** introduction this guide describes the manuscript collections containing materials for civil war research in the special collections department of the university the jedi civil war also known as the second sith war the old republic insurrection and by the The Civil War Battlefield Guide, Second Edition:

2 of 2 review helpful Not to be used as a guidebook By Bradley Nelson This is a strange book The maps seem to overlay modern maps but are often hard to read The entries simply describe the battle rather than being an actual guide to visiting or touring the battlefields They don t tell you what to see when you visit or any other information It s a very

good book if you just want an encyclopedia of Civil War battles This new edition of the definitive guide to Civil War battlefields is really a completely new book While the first edition covered 60 major battlefields from Fort Sumter to Appomattox the second covers all of the 384 designated as the principal battlefields in the Civil War Sites Advisory Commission Report As in the first edition the essays are authoritative and concise written by such leading historians as James M McPherson Stephen W Sears Edwin C Bea From the Back Cover Praise for THE CIVIL WAR BATTLEFIELD GUIDE
