1 of 1 review helpful Not that great information is out of date By Martin Christen Let me start by saying I own several guide books from Frommer s and usually really like them But I feel this particular guide is rather disappointing For one thing a lot of the information is outdated most of it seems to be from 2008 for example the schedule for several free shows on the Strip Bellagio fountains Mirag America rsquo s 1 bestselling travel series Written by more than 175 outspoken travelers around the globe Frommer rsquo s Complete Guides help travelers experience places the way locals do More annually updated guides than any other series 16 page color section and foldout map in all annual guides Outspoken opinions exact prices and suggested itineraries Dozens of detailed maps in an easy to read two color design From the Back Cover Frommer s The best trips start here Experience a place the way the locals do Enjoy the best it has to offer The lowdown on all the major casino games including tips to help you play your cards right
