3 of 3 review helpful The Best Way to See the Park By Fritz R Ward Is on foot even though you can drive to

approximately 70 overlooks and view much of the park by car. The reality is that the eastern hardwood forests are best experienced intimately not by overlooks and the 500 miles of trails in the park are the best way to get into these forests. But another reality is that few people have the time to see all that. This guide features twenty seven of the best short hikes in Shenandoah National Park. Accurate maps and detailed directions make this pocket sized handbook both easy to use and authoritative. From the Back Cover: Best Easy Day Hikes Shenandoah National Park includes concise descriptions and detailed maps for twenty seven easy to follow hikes along the length of 105 mile Skyline Drive in the Blue Ridge Mountains of Virginia.
