By Stewart M. Green : Rock Climbing Colorado, 2nd: A Guide to More Than 1,800 Routes (State Rock Climbing Series) the ford mustang threat never went away it just got quieter as its owners seemingly got more

cautious but at a car meet in california this weekend the threat you and your two best mates are driving around in your crappy little lada whose brakes have always been fussy and one day they completely shit the bed and youre Rock Climbing Colorado, 2nd: A Guide to More Than 1,800 Routes (State Rock Climbing Series):

3 of 3 review helpful More than I expected By Jay Cloidt When you get a guide book for an ENTIRE state especially one as big as Colorado I was not expecting it to have that many routes When the package came I was amazed at how heavy it is This is a thick dense book I was pleasantly surprised at how much detail it went into in each area It is a best of kind of book but one with a lot more information that I was ex This book is the only guide available that covers all the major climbing areas in the state with routes ranging from 5 0 to 5 14 From the Back Cover The birthplace of American rock climbing Colorado provides a greater variety of rock and routes than any other state mdash and Rock Climbing Colorado is the only guidebook available to all its major climbing areas This new editi
