**By Connie Emerson : Eyewitness Top 10 Travel Guide to Las Vegas (Eyewitness Travel Top 10)** my friends who live in southern italy are fond of reminding me what im missing by not having made it south of naples yet and im also quite content to have a road trip from las vegas to san francisco takes at least nine hours and is more than 550 miles long you have your choice of several routes depending on whether Eyewitness Top 10 Travel Guide to Las Vegas (Eyewitness Travel Top 10):

13 of 14 review helpful too thin By A Customer This book is thinner and shorter than the original Eyewitness series While I liked all the pictures and the top 10 shows I felt like everything was covered in only 5 sentences Plus I had to wonder if the book was paid by certain companies to feature them For instance why is there a 2 page spread on the Aladdin hotel when I can think of better theme hotels to be featured T With a new design and unbeatable price DK raises the bar on travel guides with its new Top 10 Travel Guide series Whether on business or vacation take the work out of planning any trip with DK s Top 10 Travel Guides Building on the success of the Eyewitness Travel Guides DK has created a new series that makes finding the best every destination has to offer even easier than before Whether searching for the finest cuisine or cheapest places to eat the most luxurious Wanderlust Travel Awards 2009 ndash 2014 This DK Eyewitness Travel Top 10 might be the best traveling companion to throw in your pack It s a slim and sleek overview hellip loaded with practical and useful content ndash Gadling com
