**By Tim Sullivan : Ways to the West: How Getting Out of Our Cars Is Reclaiming America's Frontier** ways to the west how getting out of our cars is reclaiming americas frontier tim sullivan publication year 2015 ways to the west how getting out of our cars is reclaiming americas frontier expedition tell us about our reclamation of the west

from the Ways to the West: How Getting Out of Our Cars Is Reclaiming America's Frontier:

4 of 4 review helpful He s a smart thoughtful writer that points out the terrible consequences By Richard William Ray This is not an anti car book This is a unique book about urban planning and transportation choices History context and the results of building cities for cars rather than people are detailed as Tim travels around the West without one I heard Mr Sullivan interviewed on Colorado Public Ra In Ways to the West Tim Sullivan embarks on a car less road trip through the Intermountain West exploring how the region is taking on what may be its greatest challenge sustainable transportation Combining personal travel narrative historical research and his professional expertise in urban planning Sullivan takes a critical yet optimistic and often humorous look at how contemporary Western cities are making themselves more hospitable to a life less ldquo A fascinating read that gives new insight into the transportation evolution that is now taking place across this region rdquo mdash Wesley Marshall University of Colorado Denver ldquo This book should be read by every plann
