Trails Florida: The definitive guide to the state's top multiuse trails:

3 of 3 review helpful Ordered the Kindle version and have found it to be By Bill McD Ordered the Kindle version and have found it to be very helpful There is a color map for each trail and detailed description Also includes color photos Especially helpful are the detailed routes to the trailheads for each trail We live and bike in Florida 0 of 0 review helpful Truly utilitarian Florida visitors are often surprised by both the beauty of its trails and by the great variety of its landscapes Although Florida doesn't have any mountains it does offer trails with views of everything from beaches and bluffs to prairies and wetlands In this comprehensive trail guide you'll find some of the best most beautiful trails in Florida Many of the trails were converted from unused railroad corridors to become some of the best multiuse rail tra About the Author The Rails to Trails Conservancy is a nationwide advocacy group whose one great mission is to protect America's irreplaceable rail corridors by transforming them into multiuse trails They are based in Washington D C
