9 of 9 review helpful Useful book for the Florida Keys By JBo My husband and I like to have travel guide book with us when we go on vacation We 've taken both Frommers and Fodors in the past but we decided on Fodors for our Miami Florida Keys trip since it looked like it had more information on the Keys where we would be spending most of our trip while the Frommers looked like it was mostly Miami We were not disappointed by locals Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years With many of the state's most popular destinations including Miami Palm Beach Fort Lauderdale the Everglades and the Florida Keys South Florida is a vacation destination rich in possibilities for every kind of traveler Filled with color photos eye popping features and fabulous maps nbsp Fodor's South Florida nbsp is easier to browse
