By Mr. Jeff Kunerth, Ms. Gretchen Kunerth : Florida's Paved Bike Trails florida bike trails offer great scenery and local flavor here are a few great bike trails weve tried and recommend in south florida and statewide whether your preference is bicycle touring off road single track or riding paved rail trails through urban areas florida provides a

great selection of trails Florida's Paved Bike Trails:

0 of 0 review helpful Excellent guide one you will actually use By Propman2702 Well written Excellent backstory and historical anecdotes Not only is the trail described in detail the additional info is very interesting and adds value to what would be a very dry topic My only negative criticism would be that the map quality could be a little better Probably difficult to achieve and still keep the price moderate O Since the release of the first edition of Florida's Paved Bike Trails the Sunshine State has added more than 200 miles of multiuse asphalt and concrete paths This updated edition of the best selling guide to bicycling in Florida adds twenty three new trails to an already impressive roster offering cyclists as well as rollerbladers joggers and walkers vital details on over sixty trails across Florida From where to find parking water r ldquo Jammed with the info cyclists venturing into the unknown crave There are simple maps that point out where to park restrooms water crossroads and lsquo watch out rsquo places where extra caution is required along the routes rdquo mdas
