3 of 3 review helpful Best of the Type By Stephen E Rees Of the numerous books that have been written about the Golden Isles and St Simons Island in particular Ms Davis seems nearly perfect in the accuracy of her historic information be it personal geological military economic or otherwise It was a joy to read and to see a lot of the erroneous information in other older works either clarified or debunked My fathe Eighty miles south of Savannah lies St Simons Island one of the most beloved seaside destinations in Georgia and home to some twenty thousand year round residents In Island Time Jingle Davis and Benjamin Galland offer a fascinating history and stunning visual celebration of this coastal community Prehistoric people established some of North America s first permanent settlements on St Simons leaving three giant shell rings as evidence of their occup I enjoyed reading this well researched wonderfully written book This will be the book on St Simons Island history for a long time Jerald T Milanich author of Laboring in the Fields of the Lord Spanish Missions and Southeastern Indians
