| The City of Rocks is renowned for its fascinating and often bizarre geography, plentiful moderate climbs as well as famous test-pieces of extreme difficulty. |Provides the most thorough and up to date information, maps and topos detailing over 750 high quality climbs |Also included are details on local amenities, camping, geology, biking, hiking and running trails, climbing lore, and other Idaho climbing spots to

By Dave Bingham : City of Rocks Idaho, 7th: A Climber's Guide (Regional Rock Climbing Series) in september trumps hotel company agreed to pay 50000 in penalties after a series of presumably unrelated security breaches you have not yet voted on this site if you have already visited the site please help us classify the City of Rocks Idaho, 7th: A Climber's Guide (Regional Rock Climbing Series):

2 of 2 review helpful I m ambivalent about this guide By Jim Morrison This may be the best rock climbing guide book on the area but it has both some good qualities and some flaws The pictures and the maps both large scale and small scale are adequate However he leaves out too much in the narrative description of the climbs Sometimes he doesn t even say if the route is trad or sport I was certainly happy to have This seventh edition of City of Rocks A Climber s Guide offers the most thorough and up to date information maps and topo s detailing over 750 high quality climbs Also included are details on local amenities camping geology biking hiking and running trails climbing lore and other Idaho climbing spots to discover From the Back Cover Idaho s City of Rocks has been called America s premiere granite sport climbing area Tucked away in the enchanting high desert corner of the state this unique area continues to attract climbers from around the globe The City of Rock
