By Jerry Lee Gingerich : Florida's Fabulous Mammals gallery of florida wildflowers insects and other creatures some recommended books about nature and a new camera enter the enchanted tropical world of the central florida zoo; a relaxing entertaining and educational experience for the entire family Florida's Fabulous Mammals:

2 of 2 review helpful Florida mammals manual By FloridaSunshine We love this series of Florida books and own them all As recent transplants to Florida we appreciate the ease of determining exactly what critter we are looking at and what its characteristics are It is a huge help in determining which animals big or small that we have seen while hiking biking kayaking etc Easy to find the animal you want with the book by Jerry Lee Gingerich
