Montana: Bozeman: A Guide to 30 Great Hikes Close to Town (Hiking Near):

1 of 1 review helpful the hikes etc is good no real complains there By Karen Andreasen Torn between two and three stars the description the hikes etc is good no real complains there BUT calling the book Bozeman is a little misleading There is a ton of amazing hikes in Bozeman and in the mountain ranges around the city these are not included Instead the book takes you far away from the city on hikes you can also fi Want the hike without the long drive to the trailhead Hiking Montana Bozeman offers you thirty trails in and around the Bozone From the beautiful basin of Hollow Top Lake to the incredible scenery of the Spanish Peaks and into Yellowstone National Park this guide will take you there in a reasonable time so you can get an early start and be home for dinner And just for good measure we rsquo ve thrown i
