2 of 2 review helpful Great resource for the Research Triangle Area By LJ Nice resource with beautiful pictures and clear directions We bought this for a trip down to Chapel Hill and it was a great help identifying some great hikes in the area Particularly the Eno state park trek to the old mill was gorgeous Most of the hikes we took were rated as moderate but they are moderately easy with largely flat or slightly hi This guidebook covers 40 family friendly hikes within 100 miles or about 1 hour from the Raleigh Durham and Chapel Hill areas Colorful and full of easy and moderate hikes it rsquo s perfect for families and novice hikers Detailed hike descriptions at a glance specs and GPS coordinates for every trailhead make this a go to guide for the area About the Author Johnny Molloy is an outdoor writer who has camped more than one hundred nights in the wild each year since the early 1980s The result is over 50 books including hiking guides to Virginia West
