By Mike Miller : Southwest Florida Backroads Travel: Day Trips Off The Beaten Path Southwest Florida Backroads Travel: Day Trips Off The Beaten Path:

1 of 1 review helpful The book was interesting however it did repeat itself a By David A Hood The book was interesting however it did repeat itself a couple of times with information in the previous chapter I wish it had gone into the Cape Coral area it seemed to skip right over that and that was one of the main areas I was interested in Hopefully the author will expand the coverage I am using the book to try and de SOUTHWEST FLORIDA BACKROADS TRAVEL takes you off the Interstate Highways and onto the quieter roads that defined this region in earlier years Millions of people visit Southwest Florida every year and never really see it Everything looks pretty much the same from from Interstate 75 The same old billboards gas stations chain restaurants and tacky tourist traps call out to you as you speed along This guide will rescue you from interstate monotony and take you off About the Author Mike Miller a Florida resident since 1960 is a graduate civil engineer from the University of Florida and has traveled all over the state on both business and pleasure He writes for and publishes his own website Florida Backroads Travel com
