NOAA Charts for Cruising Guide to Western Florida:

0 of 0 review helpful Not at all what you would expect By W E Coggin Not useful for actual navigation I ordered this
too quickly and did not realize what it was not More of a coffee table book than anything The book is excellent but the

charts are very disappointing and a bit of a rip off actually 25 of 25 review helpful Only fair By David Johnson While this co Based on the National Oceanic and Atmospheric Administration charts this companion to the Cruising Guide to Western Florida contains color navigational charts pertaining to the area Not only does it give cruisers information on where to drop anchor but also what to do once they abandon their sea legs The charts indicate the nearest restaurants accomodations historic sites anchorages marinas and fueling stations even in strange ports of call Covering ports f From the Back Cover This companion to Cruising Guide to Western Florida contains all of the color navigational charts necessary to precisely and safely traverse the warm welcoming waters of the area Of that exemplary guide The Suncoast News writes that it 1
