this is a list of long distance trails in the us that are at least 100 miles in length and are primarily footpaths most of these trails are maintained by hiking offers travel brochures vacation guides maps Utah's Wilderness Areas: The Complete Guide (Wilderness Guidebooks):

The newest addition to Westcliffe's series of wilderness area guidebooks profiles the state's 15 designated and 83 proposed wilderness areas. Illustrated by handy maps and Leland Howard's breathtaking photographs, the text couples Lynna Howard's wry wit with her meticulously crafted trail descriptions. The result is an eye pleasing guide both functional to use and entertaining to read. Utah's several million acres of designated and proposed wilderness encompass deep sand. About the Author: Lynna Prue Howard is a talented author whose work ranges from technical writing for scientific websites to adventure travel.
