0 of 0 review helpful More land than water By H Gille The book is fine and has a lot of great information I just wanted to mention that the majority of the excursions detailed in the book are inland I live in coastal VA so I was hoping based on the title that it was about all the little towns on the water and small roads leading to it Instead of backroads byways of the Bay it's drives and day trips near the bay This brand new book is perfect for lighthouse enthusiasts dolphin lovers history buffs art admirers bargain shoppers everyone Want to hunt shipwrecks for treasure Explore War of 1812 sites How about visiting a waterfront village to enjoy great seafood Or birding in a bird watching mecca Backroads Byways of Chesapeake Bay devotes itineraries to each of these and many more all accompanied by color photos and maps All the ideas and inf About the Author Travel writer Leslie Atkins is a native of Maryland Her work has appeared in the Washington Post USA Today the Baltimore Sun the Pittsburgh Post Gazette and Baltimore Magazine among many other publications
