6 of 6 review helpful Must have for a newbie not as much for a veteran By Tim W I first used this in 2007 and found it completely invaluable I used it again in 2010 and barely used it It definitely has some info I ve found nowhere else

like prices for tours But with smartphones the need for something like this that you'd bring with you is dwindling especially for veterans If you know nothing about Disney World and buy With four major theme parks and 22 hotels Disney World can be daunting this indispensable travel planner simplifies the process Each of the four major parks gets in depth coverage complete with full color fold out maps and a description of every ride and attraction Exhaustive profiles of Disney owned resort hotels feature detailed maps color photos and room layouts The guide also covers all of the park's 300 dining options About the Author Jennifer Marx is co founder and executive editor creative director of PassPorter Travel Press She's built a life long love of all things Disney into a more than full time career Jennifer is the author of nearly 50 books including
