0 of 0 review helpful A good book before a trip to the Smithsonian Museums By AL I bought this for my son before a trip to DC It s got great information and he was excited to see the things he read about once we got to the museums I wasn t aware that the book does discuss some aspects of evolution so I figured I d add that if it s important for anyone to know Overall a nice guide to the museums 9 of 9 review helpful From Dorothy s red slippers to dinosaurs to the

Wright brothers plane the Smithsonian is filled with objects fascinating to kids Yet choosing what to see at the Smithsonian can challenge even the most enthusiastic families Packed with activities information and pictures this lively new guide offers children ages 8 12 years a way to navigate the Smithsonian Engaging maps photographs and illustrations present the main museum halls along with puzzles games mad 1 From Booklist Former museum docent and teacher Korrell has crafted an in depth and interactive guide to the nation rsquo s most iconic museum system This manual encompasses three of the Smithsonian Institute rsquo
