By Steven Brooke : The Majesty of St. Augustine we are approximately 45 minutes north of st augustine florida and approximately 45 minutes south of st marys georgia please do ready for a dazzling dinner and night out starlite offers great dining live entertainment and dancing with some of the best The Majesty of St. Augustine:

6 of 6 review helpful A comprehensive account on the city's architecture By Stephane Cools This small and thin book on St Augustine actually covers all the buildings worth seeing in the city The pictures are beautiful but of course quite small The text is informative So in a word this is a great book to remember your trip to the Nation's oldest city as long as you are not looking for a coffee table book 0 of 0 This architectural tour of St Augustine is filled with the history of the city embodied by buildings that for centuries were used as schools like the Genopoly School House gracious family homes including the Pena Peck house and stately houses of worship such as the Basilica Cathedral built in the 1790s From the Publisher Armchair tour of the oldest settlement of European origin in the United States From the Inside Flap St Augustine Florida is the oldest continuously occupied settlement of European origin in the United
