From Brand: Pelican Publishing : Cruising Guide to Eastern Florida (Cruising Guide Series) cruising and voyaging in the northwest adventures in the charlottes electronic book about sailing from seattle to the queen charlotte islands in northwestern please support the bvi national parks trust dedicated to the preservation of the natural and marine heritage of the islands cruising guides culture dining Cruising Guide to Eastern Florida (Cruising Guide Series):

11 of 12 review helpful Note on direction By Customer There is one thing about the book that bothers me a bit It is written exclusively in North South direction All the descriptions details and warnings work wonderfully if you intend to sail southbound on the ICW but things get a lot more complicated when changing direction This may sound silly at first but when considering that the author has really detailed de Cruising Guide to Eastern Florida is the most thoroughly researched and comprehensive source for details on the facilities and waters of the Sunshine State s eastern

shore from Fernandina Beach to Miami Hailed by sailors as the standard and best guide on the subject In this updated third edition the reader will find firsthand information on water and port conditions including navigation depths and dockside facilities The author also includes the history a
