By Stan Tekiela : Birds Of Florida Field Guide a very distinctive fish hawk formerly classified with other hawks but now placed in a separate family of its own along coastlines lakes and rivers almost look up in the sky its a birdits even at a distance or in poor light there are clues available to help you identify the eagles hawks owls vultures and Birds Of Florida Field Guide:

74 of 74 review helpful A new birder s excellent beginning By Donald My wife and I have recently retired and moved

to Florida from the northern Ohio As an avid and increasingly older outdoorsmen I decided that bird identification was another opportunity to enjoy the outdoors The first problem I discovered was that Florida is swamp deep in every kind of bird imaginable and many species look alike to my untrained eye I ne Make bird watching in Florida even more enjoyable With Stan Tekiela rsquo s famous field guide bird identification is simple and informative There rsquo s no need to look through dozens of photos of birds that don rsquo t live in Florida This book features 140 species of Florida birds organized by color for ease of use Do you see a yellow bird and don rsquo t know what it is Go to the yellow section to find out Fact filled information a compare feature range ma Birds great field BOOK By NINA GILFERT Daily Commercial Staff Writer Stan Tekiela a naturalist and author columnist and radio personality has put together a great little field guide called Birds of Florida If you are a bird watcher you should have this boo
