Yellowstone National Park:

1 of 1 review helpful I love the greater Yellowstone ecosystem and have done quite a bit of day hiking in the area Would love to get deeper into the wild but admit to an attachment to modern comforts particularly a good book Walks in Wild Yellowstone is the story of four solo backpacking trips across some of the remote areas in Yellowstone National Park Sky Rim Hoodoo Basin Thorofare and Bechler This book takes you on treks to these areas in the course of a single summer As a vicarious traveler in the Yellowstone backcountry you ll walk trails marked only with tracks of bears and wolves cross mountain ranges and ford mighty rivers mdash the Yellowstone Snake and the Bechler mdash About the Author Cliff Murray has been backpacking in the Northern Rockies for over twenty years making hasty trips to the mountains in and around Yellowstone whenever his job as a corporate attorney would allow It was never often enough During the times he w
