4 of 4 review helpful Good summary for visitors from abroad or for first timers By Jon L Albee The reason I say this is that the book is very summary spreading Virginia and Maryland and Washington DC and parts of Pennsylvania and West Virginia very thin Sure this guide hits the high points but there is so much that is NOT covered Anyone with more than a cursory knowledge of either Maryland or Virginia will find Area native and current Virginia resident Michaela Gaaserud provides travelers with an insider s perspective on two of the nation s most historically significant states An experienced guidebook author Gaaserud offers up original trip ideas to help visitors make the most of their time such as Five Days for the Active Traveler and the Seven Day Historical Road Trip and Pub Tour With comprehensive coverage for all interests mdash from strolling Embassy Row and visi About the Author Michaela Riva Gaaserud is a native Virginian and longtime resident of the Washington DC area Some of her earliest memories are of playing travel guide to visiting relatives as they went to the museums and monuments in Washington DC
