0 of 0 review helpful a good overview with local insights By Ken Kardash I was looking for a single guidebook to plan a trip to Washington and coastal Virginia and this fit the bill perfectly It covers a wide territory but at least in our case it provided enough pragmatic detail to enable a great vacation Though brief and selective the descriptions of destinations benefit from local insights We found this particularly Area native and current Virginia resident Michaela Riva Gaaserud covers the best of the Old Dominion from getting some sun on Colonial Beach to seeing the Beauregard Civil War Cemetery With original trip ideas for a variety of interests as well as comprehensive coverage of the area's best sights this guidebook is the perfect addition to any trip Complete with details on visiting Colonial Williamsburg watching the wild horses run on Chincoteague Island and hik About the Author Michaela Riva Gaaserud is a native Virginian and longtime resident of the Washington DC area Some of her earliest memories are of playing travel guide to visiting relatives as they went to the museums and monuments in Washington DC
