0 of 1 review helpful More confusing organization than other Moon travel books By Middle Tennessean At first

glance this Moon book appears to be laid out in the same format as other Moon books I have purchased and used for travel but it is much more confusing. Although it is divided up with regional sections that include a map and highlights at the beginning of each regional section it has other maps and other activities. North Carolina resident and local writer Jason Frye provides an insider's look at the Tar Heel State from the Outer Banks to Charlotte to the Blue Ridge Mountains. Frye includes unique trip ideas like Garden Weekends and offers activities for all interests. Packed with information on dining, transportation and accommodations, this guide also provides options for a range of travel budgets. Complete with details on finding the state's best golf courses, kayaking About the Author Raised deep in the mountains of West Virginia, Jason Frye first fell in love with North Carolina as a kid during family vacations to the Outer Banks. In 2002 he swapped his mountains for sand dunes and his river for an ocean when he
