although the 762 mile foothills national recreation trail begins and ends in south carolinas golden foothills trail through
hike is a 676 mile moderately trafficked point to point trail located near mountain rest south carolina that features
beautiful wild flowers Hiking South Carolina's Foothills Trail:

3 of 3 review helpful A must for hiking FHT concise new standard By GeorgiaHikerDave I just finished my 6 day through hike on the FHT I couldn't do it without this pocket guide As a comparison I thru hiked the FHT back in 2009 using the so called official guidebook from the FHT Conference This book blows it away I even showed the book to and offered assistance to two hiking parties on the FHT using this book and Although the 76.2 mile Foothills National Recreation Trail begins and ends in South Carolina it traverses two beautiful mountain counties in North Carolina also crossing five rivers passing numerous spectacular waterfalls and climbing to the highest point in South Carolina This pocket guide has concise thru hiking directions from either end of the trail detailed maps major and minor trailheads the best day hikes and overnights campsites water sources and GP About the Author Scott Lynch has been hiking backpacking and camping along the trails of the Carolina s since 1989 A former outfitter and hike leader he is also the author of Family Hikes in Upstate South Carolina
