By Meredith Lyn Pierce : Lots to Do In Line: Walt Disney World if you are searching for fun things to do at walt disney world with a five year old then youve come to the right place let me preface this by saying that you won 61717 troubles for the walt disney world monorail this week as a guest standing in the epcot parking lot reported seeing a piece of monorail blue fall off and Lots to Do In Line: Walt Disney World:

17 of 18 review helpful Fun for the right group By Jonathan and Amanda Daniels With all of the Disney magic that surrounds you while in line for the attractions this book does a great job of helping you notice the fun details that you otherwise might miss This is a great book If you want to get the full experience this book offers you must constantly stay engaged Many of the things to notice surround the exterior of t A ten minute wait can transform happy kids into cranky whiners And adults aren t much different No wonder then that folks say waiting in line for rides is the single biggest drawback to a Disney World vacation Author Pierce transforms wait time into fun time by using Disney s own visuals to create a profusion of games for each ride line Your eyes and her book are the only tools you need to play The book is long and slender made specifically so you can tuck the book in your back pocket when not in use hellip Not only will the entertainment offer you fun but it will also help you notice and appreciate some of the extra details found in the queues
